

PRELIMINARY POPULATION COUNTS

The first results of the 1961 Census of Canada are presented in this series of releases to show the preliminary counts of population as of June 1 for incorporated cities, towns and villages in each province, as well as for other types of municipally organized units (e.g., townships, municipalities, parishes, municipal districts, local improvement districts, etc.).

The population counts issued in this preliminary series for 1961 are subject to revision. It is pointed out that the preliminary counts do not include persons enumerated at a temporary address (e.g., hotels, general hospitals, boarding schools, etc.), who will be added to the final totals at their usual place of residence, if not already enumerated there. These adjustments usually add approximately 1 p.c. to the preliminary totals, although the percentage varies among municipalities.

Final figures, which will include province, county, and electoral district counts, will be issued at a later date.

CHIFFRE PROVISOIRE DE LA POPULATION

Les premiers résultats du recensement du Canada de 1961 sont donnés dans la présente série de bulletins, qui contiendra les chiffres provisoires de la population, le 1^{er} juin, des cités, villes et villages constitués de chaque province de même que d'autres subdivisions organisées au point de vue municipal (townships ou cantons, municipalités, paroisses, districts municipaux, districts d'améliorations locales, etc.).

Les chiffres de la population publiés dans la présente série provisoire pour 1961 sont sujets à révision. Il faut signaler que le chiffre provisoire ne comprend pas les personnes recensées à une adresse temporaire (e.g., hôtels, hôpitaux généraux, pensionnats, etc.) et qui seront ajoutées au chiffre définitif de leur domicile ordinaire, si elles n'y ont pas déjà été recensées. Ces rectifications ajoutent habituellement environ 1 p. 100 au chiffre provisoire, mais le pourcentage varie avec les municipalités.

Les chiffres définitifs, qui comprendront ceux de la province, du comté et du district électoral, seront publiés plus tard.
